

Summer at  
the Demon  
King Castle

It was

of  
excessively  
high  
temperature

a merciless  
combination

Oh...  
Oh...

and magma flowing  
within the castle...

2

exists...!

So a so-called "Ice Area"

Inside the  
Demon King  
Castle  
Ice Area

Frozen  
Downpour  
The Ice and  
Snow Tower

it won't  
be me!

by  
heading  
in with  
the outfit  
I usually  
wear,

Princess

An  
area where  
everything  
is frozen  
and time  
is halted

Over  
there...

Ice  
Colored

Hey,  
Ice  
Colored

Alright, at  
any rate, I'll  
take (really)  
lots of ice as  
a substitute  
for cooling-

This place could be  
too cold for the flesh...  
Over there, how much's  
pumped here too?

It is  
30

Heh...  
Heh...  
I'm glad  
I brought  
the armour  
I made the  
other day.  
(Material-  
line Devil)

Captain!!!

Princess Playing  
Dorama Clash

smashed  
it with a  
frozen  
pillow.

OMG!!  
Captain!!

We will  
use this  
ice for our  
operation.

How in  
the world did  
you get such  
perfect ice in  
such a short  
time!!!!

For space to explain the term, to just have to Google it.

I'm  
sure... the  
Princess  
has some  
kind of  
authority!

That's  
odd...

But...  
Why do we  
have to get  
acquainted  
with the  
Princess  
in order to  
stop the  
magma?

Unhhh  
!!

Well  
then...  
I've got  
something  
to do.

While  
I'm away,  
obey the  
Princess.

Are you  
serious  
!!!!?

...Actually, that  
Princess has  
been silently  
accepted  
as the next  
Demon King.

I've  
procured...

wondrous  
cooling...!

Ah...  
Under this  
unparalleled  
coolness...

I can fall  
into a dream...  
even if it's a  
sultry night...

10

The  
Princess  
has quite  
a fun life,  
doesn't  
she?

THEY'RE  
BEING  
USED  
RIDICU-  
LOUSLY...

The Ice  
Attribute's  
supremacy  
is near...

Fufufu... if we  
keep serving  
her like this,  
the mages will  
be done for...
